

# WBRS Newsletter

## Issue No:17, Spring 2019

### Welcome to the 17<sup>th</sup> edition of the WBRS Newsletter!

Welcome to the Spring 2019 edition of the WBRS Newsletter! The snowdrops are just starting to peek out of the ground and there are even some daffodils springing up around the yard!

We are starting to see some lighter evenings creeping in too which means the return of High Flyers jump club! Dates for this will be confirmed as soon as possible but watch this space for more info!

Now that the warm weather is making more of an appearance, why not come and visit us for some fresh air and horse therapy! We have plenty of activities going on for all abilities, starting from age 3. Whether you would like a private lesson or a two-hour hack taking in the breath-taking coastal views of our stunning surroundings, we have options to suit everyone!

Our ever-popular weekend clubs get booked up quite quickly so if there is something you would like to do, don't leave it too long to book in, give us a call on 01752 862676 or send us a PM through our Facebook page!

### Upcoming Events:

Our Spring Half Term schedule is available from The Cabin or our Facebook Page.

We have lots of fun activities for all ages and abilities, from hacks, to jump clinics to full days of pony fun!

Places are limited so don't delay! Booking with deposit is essential.

Our Pony Club members continue to be super busy and are working towards some really exciting badges!

We are hoping to start work towards their Fundraising badge soon with a plan to raise enough money to buy an AED for the yard!

As you know, your safety is our top concern at Wembury Bay so if you have any ideas that you think would help us to reach our goal, we would love to hear from you!

If you think your child would like to get involved with our efforts, we do have a few spaces left in our Pony Club so please do get in touch!

Our staff members have been keeping busy over recent months with lots of new qualifications! We had a 100% success rate with our recent Riding and Road Safety exam and lots of ABRS Progressive tests in both Riding and Stable Management!

Plus, four members of staff recently passed and renewed their First Aid qualification meaning that 100% of permanent staff are first aid and Riding and Road Safety trained and qualified!

We will bring you the next issue of the WBRS Newsletter soon but if you would like to book a lesson or a hack or would just like some more information on something, please get in touch through one of the numbers or email above!

“If you believe horses can't count, put three carrots in your pocket and give him only two.”
